Akporobome Edafeghwara, MPH, CPH

Nursing Student (ASN) – Expected Graduation May 2027
(650) 316-9116 | aedafeghwara@ivytech.edu | Carmel, IN

PROFESSIONAL SUMMARY

ASN student at Ivy Tech Community College (current GPA: 3.67) graduating May 2027, with clinical preceptorship experience at IU Health Methodist and Ascension St. Vincent. Holds an MPH in Maternal & Child Health. Brings hands-on medical assistant experience in a high-volume urgent care clinic (30–50 patient services/day) plus 18+ months of women's health clinic coordination, with strong HIPAA, infection-control, and patient-education practices. Seeking a new-graduate RN position on OPT.

CERTIFICATIONS

Basic Life Support (BLS), American Heart Association, 2025
Certified in Public Health (CPH), National Board of Public Health Examiners, 2025
Medical Assistant Certificate, Santa Clara Unified School District Adult Education, 2025

CLINICAL EXPERIENCE

STUDENT NURSE, CLINICAL PRECEPTORSHIP | Ivy Tech Community College ASN Program 2026 – PRESENT
IU Health Methodist Hospital, Indianapolis, IN | Ascension St. Vincent, Indianapolis, IN

- Provided patient care under RN preceptor supervision: head-to-toe assessments, vital signs, and condition monitoring.
- Administered medications under supervision using the rights of medication administration and barcode scanning.
- Documented assessments and care in the EHR, and gave SBAR handoff reports to preceptors and the care team.
- Delivered patient and family education and applied infection-control, fall-prevention, and safety protocols.
- Collaborated with nurses, providers, and the interdisciplinary team to coordinate and prioritize patient care.

WORK EXPERIENCE

MEDICAL ASSISTANT EXTERN | Concentra Urgent Care, Sunnyvale, CA JUN 2025 – AUG 2025
Urgent Care & Occupational Medicine | 30–50 patient services/day | EHR documentation

- Completed 30–50 patient services daily: vitals, phlebotomy, EKGs, IM/SubQ injections, TB skin tests, and urinalysis.
- Prepared patients for physical exams, labeled specimens accurately, and completed same-shift EHR documentation.
- Maintained sterile technique; reviewed TB results, physical exam forms, and immunization records for clearance.

WOMEN'S HEALTH PROGRAM COORDINATOR | Harmony Wellness Center, Lagos, Nigeria NOV 2022 – JUL 2024
Women's Health Clinic | 1,200+ patients/year

- Supported daily clinic operations and administration for a women's health center serving 1,200+ patients annually.
- Scheduled appointments and coordinated patient flow and follow-ups, improving patient satisfaction by 15% in 6 months.
